

Why Soccer Camp VBS?

It is increasingly difficult to communicate with children in significant and life changing ways. We believe that soccer can be a great way to communicate the truths of Scripture. Moreover, we want to help your child become the best he or she can be through this camp. We will have drills and games, which will be challenging but also fun. Above all we want to praise God through our efforts in training children in soccer as well as in life and faith.
